DENIZ RUDIN & ANDREA BELTRAMA

DEFAULT AGREEMENT WITH SUBJECTIVE ASSERTIONS

TWO TRUE SENTENCES:

TWO TRUE SENTENCES:

1. *Dragons Forever* was filmed in 1987.

TWO TRUE SENTENCES:

1. *Dragons Forever* was filmed in 1987.

2. *Dragons Forever* is awesome.

TWO TRUE SENTENCES:

1. *Dragons Forever* was filmed in 1987.

2. *Dragons Forever* is awesome.

Assume (charitably) that I'm sincere and well-informed.

TWO TRUE SENTENCES:

1. *Dragons Forever* was filmed in 1987.

2. *Dragons Forever* is awesome.

Assume (charitably) that I'm sincere and well-informed.

‣ After (1): you also think *DF* was filmed in 1987.

TWO TRUE SENTENCES:

1. *Dragons Forever* was filmed in 1987.

2. *Dragons Forever* is awesome.

Assume (charitably) that I'm sincere and well-informed.

‣ After (1): you also think *DF* was filmed in 1987.

‣ After (2): you don't (necessarily) also think *DF* is awesome.

A PROBLEM FOR THE THEORY OF ASSERTION?

A PROBLEM FOR THE THEORY OF ASSERTION?

‣ Asymmetry in whether the asserted proposition is subsequently taken to be a mutual assumption

A PROBLEM FOR THE THEORY OF ASSERTION?

‣ Asymmetry in whether the asserted proposition is subsequently taken to be a mutual assumption

‣ But Common Ground update is supposed to be a feature of successful assertions (Stalnaker 1978), associated with Default Agreement (Farkas & Bruce 2010)

A PROBLEM FOR THE THEORY OF ASSERTION?

‣ Asymmetry in whether the asserted proposition is subsequently taken to be a mutual assumption

‣ But Common Ground update is supposed to be a feature of successful assertions (Stalnaker 1978), associated with Default Agreement (Farkas & Bruce 2010)

‣ Do utterances of sentences with subjective content instantiate a different kind of context update than normal assertions?

NO!
